Farm Animal and Field Crop and Research Facilities Protection Act

Description:

Under the act, no person shall, without the effective consent of the owner and with the intent to damage the enterprise conducted at the animal facility, damage or destroy an animal facility or any animal or property in or on an animal facility. A person is also prohibited from exercising control over an animal or property. The act makes it illegal for a person to enter an animal facility that is not open to the public to take pictures or video.
