MI

[HB 5128](#)

Animal Industry Act

Description:

Would create an animal care advisory council within the Michigan Department of Agriculture to review the on-farm certification program for animal care standards based on sound scientific principles, consider and change species-specific science-based animal care standards and implementation guidelines that consider changes or developments in the existing national standards and develop a process for the certification of third-party auditors by the department.

Status: Introduced 6/23/2009; Died in Chamber

Failed

MI

[SB 660](#)

Description:

The bill would amend the state's Animal Industry Act to prohibit a farm owner or operator from confining an animal for all or the majority of the day in such a way that prevents the animal from lying down, standing up, fully extending its limbs and turning around freely. The bill would apply to egg-laying hens starting October 12, 2025 and gestating sows starting April 1, 2020.

Status: Engrossed 1/31/2018

Pending
