HB 1104

Creating the crime of interference with agricultural production

Description:

Would make it a crime of interference with agricultural production if an individual knowingly is not employed by an agricultural production facility and enters by theft, force, threat, misrepresentation or trespass; obtains records of an agricultural production facility by force, threat, misrepresentation or trespass; obtains employment with an agricultural production facility by force, threat or misrepresentation with the intent to cause economic or physical injury to the facility's operations, property, personnel or goodwill; enters an agricultural production facility that is not open to the public and without the owner's written consent and makes video recordings of the agricultural production facility's operations; or intentionally causes economic or physical injury to the operation.

Status: Introduced 1/12/2015; Died in Chamber

Failed
