

A snapshot of legislative-focused activism in 2026...

The Alliance has observed an increase in animal rights activist groups, some established in the policy space and some newer to federal advocacy, converging on a range of issues and efforts to influence the drafting of the 2026 Farm Bill. The graphic reflects documented connections among organizations—including current and former staff, projects, funding, and coalitions.

MAJOR ANIMAL ACTIVIST GROUPS WEB: ACTIVISM AND LEGISLATION

GREEN: CURRENT OR FORMER STAFF CONNECTION
ORANGE: PROJECT COLLABORATION OR FUNDING
*** ESTABLISHED SINCE THE 2018 FARM BILL**
